Concluding.....

Today **the demand for qualified Regulatory Affairs Professional is growing** due to the strategic importance of Regulatory Sciences.

The healthcare products sector is more global today than ever before and the regulatory environment is more intricate than ever, requiring a special set of skills and expertise.

The two-year 2nd level Master "G. Benzi" of the University of Pavia still ensuring a comprehensive knowledge in Regulatory Sciences

The poster features the University of Pavia logo on the left and the Master Biennale logo on the right. The background is a faded image of a building interior. The text is centered and reads: "Università degli Studi di Pavia Dipartimento di Biologia e Biotecnologie 'Lazzaro Spallanzani'", "Master Biennale di II livello in Discipline Regolatorie 'G. Benzi'", "Biennio accademico 2021-2023", and "XVIII edizione".
